

Community Relations

VOLUNTEERS

It is the intent of the Analy Union High School District to have an active volunteer program that recruits community members to engage in a variety of activities.

Examples of activities that relate to and are supplemental to on-going District activities that community members may be engaged in include, but are not limited to, library, maintenance and grounds, classrooms, and sports.

It is the intent of the District to offer the opportunity for volunteers to engage in both long-and short-term activities.
